(Right click to play sound byte).

We will be holding a “Cultural Celebration” during the lunch hour on September 16th. During this celebration, we invite our friends from the Indian Tribal Organizations and Utah WIC staff to share instrumental, cultural and/or artistic expressions (flute or other type of music, dance, jewelry, traditional clothing, etc.) with conference attendees that will demonstrate your personal heritage and culture.

Please be aware that time will be limited to 5-10 minutes per person or group. The invitation to share cultural / artistic expressions is open to all conference attendees! If you are interested in taking part, be sure to contact the Entertainment Committee chairperson, Jessica Perkins, at: 801-538-6360.
